INUA JAMII CONSOLIDATED CASH TRANSFER PROGRAMMES

The Government of Kenya has released Kenya Shillings Eight Billion, Seven Hundred and Twenty-Eight Million, and Fifty-Six Thousand **(Kshs.8,728,056,000)** for payment to beneficiaries enrolled in the cash transfer programmes.

The money, channeled through the Ministry of Labour and Social Protection, will be paid out to **1,090,587 cash transfer beneficiaries** starting **Monday, February 22,2021**. These are beneficiaries who successfully opened bank accounts for the three programmes under the Consolidated Cash Transfer Programme (CCTP) and where successfully submitted to the Consolidated Cash Transfer Management Information System (CCTP MIS).

The September-December 2020 payment cycle will be disbursed as follows:

- i. A total of **293,688 beneficiaries** enrolled in the **Cash Transfer For Orphans and Vulnerable Children (CT-OVC) Programme** will receive **Kshs.2,349,716,000.00**
- ii. A total of **762,947 beneficiaries** enlisted under the **Older Persons Cash Transfer (OPCT) Programme** will be paid **Kshs.6,106,684,000.00**
- iii. A total of **33,952 beneficiaries** enrolled under the **Persons with Severe Disability Cash Transfer (PwSD-CT) Programme** will receive **KShs.271,656,000.00**.

Each of the beneficiaries will receive **KSh.8,000** to cover the September-December 2020 payment cycle. Beneficiaries or caregivers can access the payment at any time over the next six (6) months. A beneficiary is allowed to withdraw all or a part of this amount at any time during the six-month period.

Beneficiaries will receive their payments through the contracted **Payment Service Providers (PSPs)** i.e; Co-operative Bank Ltd,

Equity Bank Kenya Ltd, KCB Bank Kenya Ltd, and Kenya Post Office Savings Bank Ltd.

The beneficiaries / caregivers can collect money either from:

- i. The nearest authorized bank agent of the bank where they opened their accounts; or
- ii. Over the counter of the nearest branch of the bank where they opened their accounts; or
- iii. The nearest ATM of their bank using the Inua Jamii Payment card for those with invalid BIOs and who had applied for PIN from the bank through the field office; or
- iv. Cash-On-Transit as shall be arranged between the officers and the Branch Managers in the field.

Beneficiaries or caregivers are required to produce their Inua Jamii payment cards and Identity card to receive the payments; and those going for payment for the first time must transact biometrically.

Responsibilities of the four Banks in Inua Jamii.

- PSPs and their payments agents to declare the amount of money to be paid to beneficiaries and the payments cycles being paid (***Kshs. 8,000 for September-December 2020***).
- Agents must not engage in barter trade, by exchanging money with goods at all cost.
- Where possible provide beneficiaries with face masks as part of corporate social responsibility.
- PSPs and their payments agents should refrain from making illegal deductions from beneficiaries' stipends.

Role of the County and Sub County Officers in Inua Jamii

- The Officers coordinate and manage the cash transfer activities, which include holding meetings with relevant stakeholders to address issues emanating from the programme. The stakeholders include Members of Parliament, County Assembly, Interior and National Coordination of Government officials at all levels, PSPs and the Media.
