RE: ALERT TO THE DRIVERS' POSITION CANDIDATES

It has come to our attention that some people purporting to be public service staff are soliciting for money in order to facilitate appointment for the post of drivers.

Be informed that those are conmen on the loose who want to take advantage of the perceived appointment.

The State Department for Social Protection, Senior Citizen's Affairs and Special Programmes is warning any candidate not to pay any money.

Government appointment is done by following the rules and regulations of the public service which is **free and fair**.

Please note the details of the callers and forward to **Mobile Number: 0716-987165**.
